“We really enjoyed our talk and definitely would have you back in the future.”
– ***Rob Spears, Conscious Talk Radio***

“I just wanted to tell you how much fun I had “kissing theory goodbye” and interviewing you—as my featured guest—on my weekly radio show. You were articulate, glib, and enthusiastic—all ingredients for entertaining radio. The feedback from my listeners has been fabulous and many want you to come back on the show in the near future.”

– ***Jack Warkenthien, Business Radio Partners, LP***

“Great show! You did an excellent job. I look forward to having you back with us.”
– ***Ric Bratton, Blue Funk Broadcasting – Nationally syndicated***
